The Elyria Arts Council welcomes _____ as a Patron of the Arts at our Arts and Education Center on Broad Street in Downtown Elyria.

_____ agrees to Sponsor the area designated as Gallery # _____ for a period of _____. The amount of the Sponsorship for the agreed period will be _____.

As a Patron of the Arts, your Sponsorship entitles you to the following considerations:

A designated space for your business title or corporate logo.

A place within the Center to display your brochures, fliers, or business cards.

Your sponsored Gallery will be featured on our Facebook page and your business or corporation prominently acknowledged as a Patron of the Arts.

High visibility in an Established Community asset at the very center of 2017's Bicentennial Events and Exhibitions, located right next to the Farmer's Market in the soon-to-be-dedicated Pioneer Plaza by our beautiful Murals.

We value and thank you for your support.
